

Okazaki reborn dance 2

DIRECTOR/CHOREOGRAPHER : Chiemi Fukumori

SUPPORT BY : Culture association of Okazaki Town Hall

Okazaki Reborn dance2 was developed from previous performance “ Okazaki Reborn dance1(2016-17).

Chiemi is a director-choreographer to lead 20 dancers from 6 years old to 65 years old.

The initiated purpose to create this project was “ to supply a good quality of performing arts to general citizens.

① field work and research

This project is strongly based on the history and traditional /cultural background of Okazaki, therefore the participants took spacial city tour with the rich historical explanation

② Creation and development

During of two months creation and development, Chiemi led the group to make a full-length performance (about 60min). Chiemi emphasized to have rich time to talk to each other for the participants to make a good connection , not only for polishing up the dance skills .

③performance

after 13 times of rehearsals ... the actual performance was published !
